9 January 1969

MEMORANDUM FOR THE RECORD

Morning Meeting of 8 January 1969

DD/I reported that Bromley Smith is seeking individuals who would be prepared under the terms of the Transition Act to go to Austin for up to six months in order to assist in selecting and declassifying documents for the Lyndon B. Johnson Library. DD/I noted that there are employees who would be interested in such a project.

Godfrey advised that enemy pressure is heightening in Laos and that we will publish on the matter today.

Godfrey indicated that, as we are on the eve of the anniversary of the turbulence in Panama, the Panamanian students may stir up trouble.

25X1

Carver advised that he will be briefing William Rogers at 1030 today.

Maury noted that Bill Woodruff has indicated that Senator Russell wishes us to testify before the Senate Armed Services Committee before providing any testimony to the Senate Foreign Relations Committee.
